The Honorable William Webster  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Judge Webster:

On behalf of the Intelligence Assessment and Policy Project, I am writing to thank you for taking the time to join us for dinner on Monday. We valued the chance to discuss the goals and plans of the project with you and the other committee members; I only wish we had had a few more minutes to talk.

We will continue to look forward to receiving your advice and recommendations as the Project progresses. We will be sending you information about further activities, and hope that you and your colleagues will be able to join us for them whenever possible.

Thanks again for your support of this project. We hope to be talking with you again soon.

Sincerely,

Gregory F. Treverton
